

CASA REDONDA HOUSE OF CIRCLES & CURVES

Enhanced by the restrained ornamental grace of an arched entry door, accented by the circular stairway, this home provides the ultimate in dramatic designs. Breath-taking two-story entry, a balcony which overlooks the living room and massive two-story fireplace, plus open loft library. There are four outside balconies on the second floor. The master bath and dressing room provide maximum light and ultimate space. Three large bedrooms, library, two and one-half baths. 3585 square feet.
