

CASA RICA HOUSE OF RICHNESS

The regal pivot-door entry brings you into a world of light. The formal two-story entry is graced by a curved stairway with balcony and a cupola skylight. Step down into a spacious living room accented by an arched window extending fifteen feet into the two-level room. Country kitchen with breakfast nook and built-in desk simplifies meal preparation and serving. The master bedroom suite combines comfortable living space and luxury with a corner fireplace, two walk-in closets and a Roman tub and separate shower. A bay window and balcony enhance the two guest bedrooms with adjoining bath. A combination of beamed ceilings, four bay windows, two balconies, two-story living room and wet bar complete the detailing to create the richness you deserve in 3665 square feet of luxurious living.
